Mystery Babylon and The Zionist Jews

The U.S. is the number one debtor nation in the world and a global currency. "In God We Trust". Which God? The God of Mammon. You cannot serve God and Mammon. In this way U.S. prostitutes herself for money. She imposes her debt with the nation's of the world. Here is how.

Through the Bretton Woods act of 1944 the IMF and the World Bank was created to provide consistent money for the nation's of the world.

With President Nixon in 1971 the gold standard was removed from the U.S. to infuse all these currencies to the debt based U.S. dollar and shackle them with debt. Just look at the global debt clock.

The globe's currencies are now controlled by a private group of people who control the Federal Reserve, the IMF and World Bank, backed up by nothing but debt and paper. Burnable paper and debt to consume the consumers.

They use the U.S. military as a strong arm to force other government's to comply with their money schemes , or be extorted, impoverished and war torn. Their tools are sanctions, tariffs, trade barriers, terrorism and wars. (O.F.A.C.) They defame their leaders as dictators in need of liberation to overthrow the objectors. These countries have valuable resources but may not sell them on the world market to feed their people. This creates terrible unrest as people flee these impoverished regions. In this way the U.S. citizens are implicit in these crimes against God and humanity. They accuse of weapons of mass destruction, then wipe them out with weapons of mass destruction. They threaten million percent inflation or comply.

This is how debt and slavery is implemented. They use these tactics like gang thugs who extort

mom and pop businesses for cash or be terrorized. Whoever controls the global money rules the world. You know these faceless people by their logos on their corporate pawns. One is the pyramid with the all seeing eye as seen on the dollar bill. You see it in government buildings, places of worship, and even Hollywood whose home is Los Angeles. The city of angels, fallen angels spewing out human garbage. The eye logo is deeply embedded. Look at the logos, trade marks and stages are re-pleat with the eye showing their master. This symbol is seen scattered about society to implant the illusion of control over their subjected actors and politicians.

And who controls this Harlot? Those who control her currency. The Zionist Jews who control her through debt money. In this way she serves the God of this age Mammon, and Satan. These are the same money changers Christ overturned their tables in the temple of old. In this way she has been extorted. Currently her yearly debt payment to these people is about 600 billion a year, and the world debt is said to be $184 trillion that the nations of the world owe to them? That is what these peoples bank holdings look like. Not to mention the corporations they have gobbled up since their inception from the payments they have already received. They also use their money to bribe dignitaries and promote their agenda.

The U.S. has reached a criticle point. Much like a patient on a death bed bleeding out multiple holes as the doctors just pump more blood in to sustain life instead of stopping the bleeding. So too the money brokers use a scheme to artificially inflate the economy with what they call "quantitative easing". It is just cash infusions of their own money given back to give the illusion that everything is okay. They do not want to be paid back. They want the debt to increase until they have total power and control all the accets and resources. They honestly believe the world is theirs and with the help of the U.S. it is. Unless people wake up to the gods of this age and cast off their shackles, they will. This is why the call to "Come out of Her My people" is so prevalent today. Not to move out, but to not take part in her sins, and take a stand against her ways.

It was John F. Kennedy who set forth to start printing silver certificates in place of the debt dollar that was not so mysteriously assassinated if you understand what we are talking about.

The symbol of the pyramid the Zionist use is fashioned with smooth stones of mans devising with the all seeing eye, hovering just above is their trademark of defiance.

The ironic thing is when Gods Israelite's were instructed; "if thou wilt make Me an altar of stone, thou shalt not build it of hewn stone: for if thou lift up thy tool upon it, thou hast polluted it. (Exodus 20.25)

That is why the modern Zionist Jews symbol of the pyramid built by Freemasons is polluted. It is satanic. It is made completely of mans devising of smooth stones, and called by one of God's names. Zion.

Because of this we quote the scripture that says "we know those who say they are Jews and are not, but are of the synagogue of Satan". This is who Satan is identified with in the Book of Revelation. And Satan is the spirit in the Beast that carries about the Harlot. The US is largely under the influence of Satan in this way.

It is the free masons, meaning bricklayers who build with hewn stone, that associate with the pyramid to support the all seeing "eye in the sky" the www. With eyes on you, they seek to captivate and control by whatever means necessary. These Zionist impersonation of the Mt Zion of God is blasphemous as being another ubiquitous entity.

The all seeing eye is the www. when fully developed, hijacked and implemented by their institutions. The voluntary accepting the terms and conditions to the various apps is addictive and a soft sell form of the final implant app. When currencies abuse increases and cybercash reaches its demise, and people fear for their life, it is one small step from handing over your phone to receive an un-stealable implant. This is why there is a global push for free cell phones. To register everyone with a www. Almost 70% of the world population has cell phones already. With the push to register all people by facial scans and chipped with all their personal history and information, cyber citizenry will be complete. With all the eyes and ears connected to the Web tracking you even now, everyone will be trapped . For now we are still in the soft cell era, but their realization will come then you can question things like, an Apple with a bite out of it? What did that imply? You can't say you didn't know.

Next we will talk about "*I know* the blasphemy of those who say they are Jews and are not, but *are* a synagogue of **Satan**. Rev 2.9

"Those who say they are Jews but are of the synagogue Satan. And Satans seat.

The Kingdom of God is always at hand. You don't need to be under another government.

Revelation 3.9 Indeed I will make *those* of the synagogue of **Satan**, who say they are Jews and are not, but lie—indeed I will make them come and worship before your feet, and to know that I have loved you.

And so we do. Come join us.
